

Dear _____,

As a constituent of your district, I ask for your support for the reauthorization of the **Juvenile Justice Delinquency and Prevention Act (JJDP A)**. I believe your support is necessary to ensure the safety of our youth. The four main points of the JJDP A Reauthorization include:

Keep children and youth out of the justice system: Whenever possible, keep children and youth out of the juvenile and criminal justice systems by addressing their needs and those of their families early and effectively.

Ensure equity and competence: Do everything possible to ensure equity and competence with regard to race, ethnicity, culture, language, gender and sexual orientation, in legal representation before the courts and throughout all system practices and policies.

Ensure responses appropriate to a young person's age and stage of development: Do everything possible to ensure that children and youth in the justice system are treated in an age-appropriate manner and provided with developmentally appropriate, evidenced-based services and supports. Ensure, when needed, that sanctions are appropriate to a youth's age and offense.

Strengthen the federal partnership with state and local governments: Strengthen the federal role in supporting state and local needs by providing sufficient resources and appropriations for jurisdictions to effectively implement the JJDP A, to fully comply with its core requirements/protections and to ensure state and local adherence to high standards of performance.

Sincerely,
